### PARTICIPATION &/OR AUDITOR INSTRUCTIONS:

As riders we understand that horses are unpredictable and can be dangerous. Accidents can happen and there are always risks even when precautions are taken. The following instructions are intended to minimize those risks and we ask that you help and respect the following:

- **MINIMUM RIDING EXPECTATIONS:** Unless otherwise noted, participants must be able to walk and trot safely and comfortably.
- Riders under the age of 19 must have a guardian/parent present during the entire event
- Horses should be minimum 3 years old
- No stallions or unstarted horses
- Horses must be sound and in healthy physical condition with properly fitted tack
- Horses that arrive lame will not be able to participate in the event. If your horse goes lame during the event, you will be asked to dismount and sit out the rest of the event. Riders are welcome to stay and watch (providing there are adequate day stalls available or the horse can be kept comfortably in the trailer).
- No pets allowed
- PHOTOS/VIDEOS taken by participants and spectators are meant to be for personal use only and not for public/commercial use. If you have taken photos of specific people, please obtain their written permission before using
- HELMETS and proper heeled boots must be worn by all riders
- All participants will be required to sign a waiver of liability provided by the facility.

### Housekeeping

- Limited day stabling may be available at an additional cost – requests should be emailed to [info@westcoastwe.com](mailto:info@westcoastwe.com)
- **Horses are not to be left tied to the trailer unattended.** The property gates will likely be open during the event and we cannot risk having horses loose on the property. Please stay with your horse at all times or leave them in the trailer if they are going to be unattended.
- Please bring your own hay and water buckets & tidy up any hay/manure before you leave
- Please stay out of the arenas until directed to enter at the beginning of your session
- This event is being held at an active boarding facility – please be aware that there may be other riders in & around the facility at the time of the event.
- Parking: please park in a way that lets other trailers come and go – do not block driveway or roundabout access. If you need assistance parking your trailer, please let us know.
- Vehicles that are not towing trailers must park in the first parking lot – to the left, immediately after the gates.
